NEW WEBSITES

Peace River School Division (PRSD) is excited to announce the launch of a new divisional website and 18 new school websites on the morning of Monday, May 17, 2021.

Some highlights of the new websites include increased mobile and multi-device functionality, modernized layout, collapsible navigation menus, and school status alerts. Popular features that remain the same from PRSD's previous website include the organization of student and parent information, and quick links to school bus updates, the school calendar and social media platforms on both the school and divisional sites.

Peace River School Division (PRSD) is thrilled to announce the launch of a new high school virtual learning program available for the 2021-2022 school year. During a special board meeting held on May 10, 2021, the board of trustees approved the launch of the virtual learning program which will be located centrally at PRSD's Central Operations facility in Grimshaw. The program will cater to students seeking high school programming and will be supported by dedicated virtual learning teachers and support staff.

Peace High Guide to Online Learning

Peace River High School will continue following our current schedule for classes. Our Bell schedule will be posted in the newsletter as well as on our website.

Students will be expected to sign in on time for all classes Core and Electives. Teachers will communicate with the students if there are any exceptions. Students will be marked Online Present, or Online Absent for each class. Students are expected to engage either through chat or microphone when prompted by a teacher. If no response is received, students will be marked Online Absent or Left Early.

Evaluations will continue, so assignments are expected to be completed and handed in on time.

Mandatory Health 9 and Learning Strategies will continue on Monday's at 10:07.

By having accountability through tracked attendance, the students will be able to keep up in their classes and continue their learning process.

We understand that this may be a difficult time and some students will struggle with the transition. Please don't hesitate to contact the office, or individual teachers if you or your student are having any issues so that we can help with support.

Superintendent's Message

Education and Mental Health Awareness Week

May 3 – 9, 2021 marks Education Week and Mental Health Awareness Week – a celebration of education and recognition of the importance of positive mental health.

In Peace River School Division we are committed to teach, support and nurture the whole student - through engaging classrooms, qualified and caring staff, focus on emotional, social and physical wellness, leadership and mentorship programs, positive behaviour and character programs, and the support of Youth Education Workers and Success Coaches. We are proud of the dynamic learning communities within our schools and we strive to support our students in any way we possibly can. By incorporating wellness into classrooms and curriculum we acknowledge the link between education and mental health which better enables our students to reach their full potential.

We understand it takes a village to raise a child and both the educational and mental health needs are crucial aspects of learning, well-being and success. We are very thankful for the various partnerships we share with agencies, community members and organizations in our school communities. These community partnerships not only provide increased supports for students, they demonstrate that their school communities care, and it also shows what can be achieved when we work together.

During Education Week and Mental Health Awareness Week, our students and staff will participate in activities and learning opportunities that highlight the importance of education and mental health in our lives, families, schools, community and the world.

Thank you to students, parents, staff, community members and organizations for your support - the work you do makes a difference and we appreciate you.

Paul Bennett,

PRSD Superintendent of Schools

Disaster Preparedness

If your family is caught in an emergency or disaster situation, are you prepared? Without any warning a disaster can occur and it may take some time for emergency workers to get to you. It is recommended that you should always be ready to take care of yourselves for a minimum of 72 hours. Your best defence in any emergency is to have a plan and be familiar with what to do.

There are three keys to disaster preparedness.

Know the risks – analyze what hazards you face? In Alberta we face a number of hazards, such as natural emergencies like forest fire and floods, service disruptions like a power failure, or even environmental disasters like a chemical spill.

Make a plan – each household needs an emergency plan. It will assist you and your family to know what to do in case of an emergency. Discuss what you would do in different situations as well as how to meet or contact each other if you're not together when an emergency occurs. Consider what to do if you need to stay put or if you need to leave your home. Include a list of emergency management agencies in your area.

Create an emergency kit – in an emergency basic supplies will be needed. You may be without power or tap water. Always have items ready such as non-perishable food, water, flashlight, first aid kit and seasonally appropriate clothing. Also consider any special needs supplies such as requirements for any infants or elderly family members, remember any medications, and necessities for pets. Make sure the kit is organized and easy to find and that everyone knows where it is.

You may find the following links helpful in preparing your family for emergency situations.
