Nomad Athletics has begun their fall planning. We as a division are following guidelines set by Alberta Health Services and the Alberta Sport and Athletic Association in preparing for this season. Volleyball information meetings happened this week, and Junior Volleyball practices have now begun. For more information on Nomad Athletics please contact Mr. Owens or Miss Favreau at the school. More information on Senior Volleyball, Cross Country running and football will be available soon.

We are through the first week of school and we know that there may be a lot of questions. Thank you again for your patience with us as we navigate through these new times with new protocols, cleaning requirements, home learning set up and much more. If you have any concerns or questions please feel free to contact us here at the school. Have a great weekend.
