Let's We Forget

November 3, 2020

Peace River School Division (PRSD) has decided to cancel the administration of grade six and nine provincial achievement tests (PATS) for the 2020-2021 school year due to the disruption in classes caused by the COVID-19 pandemic.

Please visit our website for the full media release

Inclement Weather

We love school, but the safety of our students is our number one priority. If severe weather arises, we may need to cancel school buses. Note that schools will remain open, even if all buses are cancelled.

To learn more view Administrative Procedure 133 at prsd.ab.ca

-40 School buses **WILL NOT** operate when the morning temperature at 6:00 am is - 40 C without the wind chill or lower OR -48 C with the wind chill or lower **-48**

SEVERE STORMS
Buses may not run during severe storm, drifting snow or wind chill conditions

FOGGY CONDITIONS
The bus may not be able to stop on the highway or busy side roads in severe fog conditions

EARLY DISMISSAL
Sometimes a storm can start during the school day and buses may be called to take students home early OR school buses may be cancelled.

CANCELLATION COMMUNICATION

If the school bus is cancelled, school bus drivers will attempt to contact parents and notifications will be announced on the radio and posted on PRSD's School Bus Planner webpage before 7:00 am when possible

Parents Matter TO US!

Parents Matter Appreciation Week

November 16 - 20, 2020

Celebrating parents and guardians for all they do.

In order to most effectively support students in their learning and monitor their attendance in class and in Home learning, we have the following guidelines for families:

1. When a student is home with symptoms, medical appointments, personal family reasons and/or sick, please contact the office and students will be marked as excused for the duration of their illness or medical treatment. For any symptoms please refer to the COVID-19 checklists for directions and guidance from Alberta Health Services. Attendance in Google meet for their classes is accessible, but

not required at this time.

2. When a student has been directed by Alberta Health Services and/or family to self-isolate for a period of time, they are expected to sign in and attend virtually to Google Meet for their classes following their regular time schedule. Students who do not sign in will be marked absent unless the office is notified by their parent/guardian. Some courses, such as Physical Education, Industrial Arts and other options may be marked as excused during the isolation period. If your student is self isolating, please make sure they contact their teacher by email as well as have the parent/guardian contact the office directly.

3. Students enrolled in Home Learning for this semester are expected to sign in and attend virtually to Google Meet for their classes following their regular time schedule. Students who do not sign in will be marked absent unless the office is notified by their parent/guardian.

We are all working together to maintain education and learning opportunities for all of our students during this uncertain time. We appreciate your patience, support and feedback as we work towards the most effective strategies in our school community. We hope that this may help to answer some of the questions that have come up to start the school year. If there are any further questions or concerns please contact the school.

Volleyball News

Congratulations to the Senior Boys in in some good volleyball games on Thursday night against Ecole Heritage

Junior Girls won their game against EQV at TA Norris on Wednesday

Basketball In Coming!

- **Exhibition practices for both boys and girls will be Mondays 6-8 pm and Thursdays from 8-10 pm for the month of November. If you have not signed up yet please talk to Mr. Owens ASAP**
 - **Parents must attend with students on Monday in order to sign the COVID forms before practice starts. After signing, parents can leave and return for pickup at 8 pm.**
- **Junior High basketball will begin the week of November 23. More info will be available next week.**

A Note on SUCCESS

Students have SUCCESS classes that run from 10:12-10:59 each day. Each day has different options available.

Mondays are mandatory for all students to attend their homeroom teachers class for either Health 9, Learning Strategies, or Grade 12 preparation courses.

Tuesday through Thursday, different options might be available to the students for tutoring or catch up, or their teachers might 'lock' them in for a mandatory class or for extra help. For those students that are all caught up, open rooms are available (sometimes even the gym!).

However, it is not a spare block. Students are expected to sign in to a room or will be marked unexcused absent. This will mean an automated phone call at the end of the day unless the parent has called to excuse.

2020/2021 School Registrations Due

Peace River School Division has introduced our new Online Registration System. We do require a registration form completed every year for each student. This allows us to update information, confirm enrollment and comply with Alberta Education requirements. For returning students, Guardians are emailed a link with a 'snap code' for their students. By following the link, you are able to review the information in our system and make any changes. Please watch your email for this important link. If you have not received your 'snap code' email. Please contact the school.

Peace River School Division will be going to an online payment system to purchase school items and pay any fees or hot lunch cards. We will no longer be accepting cash or cheques from parents/students. You can pay online by using school cash. It's easy and simple to sign up for. Sign up at www.prsd.schoolcashonline.com. Look further down in this newsletter for information on how to sign up.

COVID-19 INFORMATION

COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR ADULTS 18 YEARS AND OLDER)

Overview

This tool was developed to support schools, activity organizers, employers, businesses and facility operators in reducing the risk of transmission of COVID-19 among attendees/staff. The tool is meant to assist with assessing attendees who may be symptomatic, or who may have been exposed to someone who is ill or has confirmed COVID-19.

Attendees should complete this checklist prior to participating in the activity or program.

If an individual answers **YES** to any of the questions, they **must not** be allowed to attend or participate in the activity or program. *Individuals with fever, cough, shortness of breath, runny nose, or sore throat, are required to isolate for 10 days per [CMOH Order 05-2020](#) **OR** receive a negative COVID-19 test and feel better before returning to activities.

Use the [AHS Online Assessment Tool](#) to determine if testing is recommended and follow information on [isolation requirements](#).

As the COVID-19 pandemic continues to evolve, this screening tool will be updated as required.

Superintendent's Message Parental Involvement

We know that children experience higher levels of success when their parents are involved in their school and education. Now, more than ever with the Covid-19 pandemic, parental involvement looks different for every family and is based on many factors.

Although the types of opportunities for involvement may look different - one thing that stays the same is the importance of communication. Staying connected with your child's school experience is important and equally important is that your child see, feel, and know through both action and conversation that you are keeping connected. Whether that means attending parent-teacher conferences, helping with homework, emails with staff, reviewing school correspondence or following the school website and social media - being involved demonstrates to your child that you care.

I would like to take a moment to thank and commend our parents for their extraordinary efforts as in-person classes were cancelled in March. The way our families have rallied together to support learning at home, to provide child-care, and to support one another is absolutely incredible. The COVID-19 pandemic has shown us what we can accomplish when we work together and our families deserve to be commended for their tireless efforts to support students learning at home. The pandemic has certainly caused a variety of stressors to our lives and for our parents who are already juggling many roles and responsibilities - thank you. I recognize and appreciate the time, sacrifice, coordination and effort you have and are all making.

In the next few weeks, schools will be hosting their first School Council meetings of the year. The meetings run once per month and it is a great way to stay connected and have a voice in education. Please check with your local school to learn more about School Council and how School Council will operate this school year.

Your involvement makes a difference and we truly appreciate the important work you do. We believe that PARENTS MATTER and that is why Peace River School Division declared a week to celebrate the important contributions of our parents. Please mark your calendars for November 16-20, 2020 and join in the celebration of parental involvement at your child's school during PRSD's "PARENTS MATTER Appreciation Week."

Wishing you a wonderful school year and thanking you in advance for your involvement and support.

Paul Bennett,
PRSD Superintendent of Schools

Spotlight on Health and Safety

Safety message – PRSD safety protocols and communication

Online Safety

The internet is an integral part of our lives. It provides us with information, entertainment, and various ways to communicate and socialize. It can be used to research school reports, communicate with teachers, peers and play interactive games.

While this creates great opportunities for society, online access comes with risks such as inappropriate content, cyberbullying and online predators.

Both at school and at home, it is essential that we educate ourselves and our children about being safe online. The internet has become a part of our day-to-day lives and to keep our children safe, it is important that we have conversations about online safety and model and encourage safe online practices.
