## **Outstanding Resources**

As we return to In Class learning, we would like to ask students and Guardians to take a quick look around the house for any resources that might belong to the school. These might be textbooks, novels, athletic jerseys, chromebooks (and chargers).

Any Chromebooks and chargers signed out during home learning can be returned to the office.

Any Text Resources can be returned to the library. Remember

- Students are responsible to return *Text Resources* in a timely manner.
- All Text Resources must be returned prior to entering the final exams.
- Any Text Resources not needed for exams can be returned to the Library.

The doors at Peace High open at 8am in the morning and the school is generally closed at 4:30.

# Superintendent's Message

**Parents: Have a Voice in Education** 

In January and February many parents will receive a survey in their mailbox from Alberta Education. Please take a few moments to complete this survey - your participation is very important to us.

Your response to the survey provides valuable information regarding what is working in schools and what needs improvement. Your answers to the questions in the survey are confidential and are considered during school and divisional planning. Therefore, this survey provides an opportunity for you to impact decision making regarding your child's education and school.

The survey is mailed to parents in grades 4, 7 and 10 (unless the school has fewer than 120 students in grades 4-12 in which case the survey will be expanded to include all students and parents). To ensure we receive as many responses back from parents as possible, the survey comes with a postage paid return envelope.

Thank you in advance for your time spent in completing the survey. Through working and learning together, your input and involvement makes our schools great places to grow, learn and be.

# **Spotlight on Health and Safety**

## Safety message – PRSD safety protocols and communication

# **Mental Health and Wellness**

Wellness can be defined as an optimum state of health - physically, socially, emotionally, and mentally. Our well-being is about making healthy choices in each of these areas.

In order for us to learn and be our best, we must feel and be well. We have a great opportunity to not only academically educate our students, but to support, guide, and teach them to honour their mental health and wellness and we support this in a number of ways.

We recognize that healthy eating and active living are also important components to positive mental health and wellness. We support this through education and expanding physical education activities in our schools. We also encourage and support our students to be leaders, to get involved in the community and work together as a team – these are attributes that instill confidence, a sense of belonging and create a greater sense of purpose and inner joy.

The Alberta Government has a great resource on Working Together to Support Mental Health in Alberta Schools at: <a href="https://education.alberta.ca/media/3576206/working-together-to-support-mental-health.pdf">https://education.alberta.ca/media/3576206/working-together-to-support-mental-health.pdf</a>

Whether you are a student, parent or staff member, be sure to reach out to family, friends and access professional help if stress is affecting your life. In all our schools we have Youth Education Support Workers/Success Coaches to help students and facilitate extra assistance they may need. While gaining support from others you can encourage them too, everyone has had it tough at some point in their lives. A kind word may go further than you realize.

Offered to our staff members and their families is an Employee and Family Assistance Program, a proactive health program providing confidential wellness and prevention supports, health and life coaching and counseling. <a href="http://www.homewoodhealth.com/corporate/services/overview">http://www.homewoodhealth.com/corporate/services/overview</a> For more resources staff can check out "Apple-a-Day" and "The Sandbox" <a href="https://thewellnesssandbox.ca/">https://thewellnesssandbox.ca/</a>
