A Great Way to Stay Informed

If you have not already done so, please contact the school to receive your login information for your students Powerschool Account. It is a great way stay up to date with students attendance, assignments, and comments. You can even email the teachers directly.

Pro Tip: If using you are using the Powerschool APP available from the App or Google Play Store and it isn't updating, try uninstalling and reinstalling on your device. Sometimes the App gets stuck. If you are still having issues, contact us at the office and we will do everything we can to help!

Grad 2021 Update

Grad 2021 will be celebrated! We would love to have a formal ceremony on Saturday, June 26th as scheduled, but if we are unable to do so, as per AHS guidelines, there are some celebrations that we will definitely be having:

- A digital celebration of our Graduates. This includes a slide show presentation of Grad photos, baby photos and the Graduates intentions for the future.
- Banners that will be displayed downtown.
- Printed certificates and Grad class composite picture for students
- Cap and 2021 tassel memento for students
- Grad apparel (purchased through Entripy Shop on our school website). We will be having students sign a "21" when they return to in-person classes after Jan 11th. This 21 is uploaded to the Entripy site and students can purchase clothing items with the signed 21 and/or other Grad 2021 logos.
- Grad photos (Lifetouch) Retakes March 9

Parents: Have a Voice in Education

In January and February many parents will receive a survey in their mailbox from Alberta Education. Please take a few moments to complete this survey - your participation is very important to us.

Your response to the survey provides valuable information regarding what is working in schools and what needs improvement. Your answers to the questions in the survey are confidential and are considered during school and divisional planning. Therefore, this survey provides an opportunity for you to impact decision making regarding your child's education and school.

The survey is mailed to parents in grades 4, 7 and 10 (unless the school has fewer than 120 students in grades 4-12 in which case the survey will be expanded to include all students and parents). To ensure we receive as many responses back from parents as possible, the survey comes with a postage paid return envelope.

Thank you in advance for your time spent in completing the survey. Through working and learning together, your input and involvement makes our schools great places to grow, learn and be.

Safety Message – Ice Safety

March is a time to look forward to warmer temperatures, melting snow, and longer days. The transition from winter to spring begins the transformation of frozen rivers, ponds, creeks and dug outs to bodies of open water. Many of our PRSD schools are located close to water sources and during this time ice can become unstable and extremely dangerous.

Please take a few minutes and talk to your children about ice safety and the dangers associated with being on rivers, ponds, creeks and dug outs during this time of the year.

If you do fall through the ice your first danger is drowning, not the cold. You will have time to save yourself so don't panic or thrash about. Tread water or grab the ice to keep your head above water. Keep your hands and arms on the ice and kick your feet until you are in a horizontal position. Once you are horizontal keep kicking your feet and pull with your hands and arms and pull yourself out of the water. Once clear of the water continue to pull yourself away from the hole in the ice. You need to keep your weight spread so don't stand to move away from the hole. You can slide pull or roll away. Once clear of any danger you need to get to a place to warm up and remove any wet clothing.

For more information about knowing the dangers of ice please follow the attached link provided by the Canadian Red Cross.
