

Dear families

We are so excited to start the new school year! We have missed being able to engage in person with our students and watch them as learning takes place.

As you know we have made several modifications to how we operate to mitigate the risk of COVID-19. I want to assure you that the health and safety of your family and our staff is our highest priority.

School Fees to be Paid Online

As part of those modifications, we are asking you to use our online payment system to purchase school items and pay any fees. It will be mandatory to make all purchases online. School staff will no longer be accepting cash or cheques from parents/students. Cash can play a significant role in virus transmission, and we are working toward following the World Health Organization (WHO) recommendations to use contactless payments to mitigate virus spread.

Paying Online

Paying school fees online is fast and easy and can be done from any computer or smartphone. Getting setup is three simple steps:

1. **Create Your Profile:** Go to www.prsd.schoolcashonline.com and click on "Get Started Today".
2. **Confirm Your Email:** Check your inbox for the email confirmation and click on the link inside. Sign in with your new login details.
3. **Add a Student:** Click "Add Student" and fill in the required fields with your child's details.

I have included an online payment instructions flyer on how to sign up and use School Cash Online which contains more details.

Helping to Keep Everyone Safe

On behalf of our school, I want to thank you in advance for helping us implement processes, like paying online, that help keep everyone safe.

Together we can make a difference!

Sincerely,

Peace River School Division
